In one week a footballer goes from hero to zero. After scoring the goal that takes his club into the league for the first time.

After claiming to have dated a girl who has been missing for a year, he is pilloried by media and fans alike.

Fighting to prove his innocence he helps bring down a major crime ring, falls in love, achieves a new career in football and learns more about himself and life in just 100 days than he could have ever believed possible.

It's a roller coaster ride of football, mystery, love, crime and even more football providing a story with a real difference.

Mike Bearcroft was a junior footballer with Sheffield United. A life in sales, marketing and company management resulted in him selling his business in order to retire at the age of 50. He became an actor, appearing in series like 'Peak Practice', 'Casualty' and 'Brum'. He then trained as a director of musicals before creating his murder mystery company 'Murderous Liaisons', which he then sold to launch 'Back to Broadway', a musical theatre stage show currently touring major UK theatres. As the Chairman of Corby Town F.C, sponsor of Rothwell Town F.C and Kettering F.C, he was involved in Northamptonshire football for many years. Mike lives in Somerset and shares his mad ideas with his wife Sue and their Norwegian Forest cat, Zuni and West Highland Terrier, Hattie.

"As nail biting as a Merseyside derby with just as many twists and turns ! One not to miss..."
Ian Ayre - Managing Director, Liverpool Football Club.
